Hi Ayn,

Any chance you could sit in on this call at 1pm today in Libby's office? Region 3 is looking for some feedback and has questions about fracking and ORD. I bet we could do the call in 15 mins.

Hope you can make it,
Karen

Hi Helen,

I received your voicemail. Pat has been the lead on the Pavillion site work here in our Region with Karen's assistance. I think it would be helpful to have them all a call. Also, since you specifically mention ORD and their interest in doing a study we have you talk to Ayn Schmidt as well but let's chat first so we don't send you off on a information request goose chase!

Are you available this afternoon say either 3:00 or 4:00 your time? I am in meetings from 10:00 to 12:30 MST today so would need to be after 2:30 your time.

Thanks, Libby
